Dear Judge Gardephe:

This letter is a travel request on behalf of Mr. Wray. Mr. Wray would like to travel with his family to Florida from June 4th- June 7th for a family gathering. Pretrial has approved the travel and the Government does not have any objections to the travel request. Mr. Wray will also provide pretrial with his travel itinerary.

Mr. Wray will continue to abide by all the other conditions of his release. Thank you for the Court's time and consideration.

Respectfully,
